Welcome to Our Company

**Trusted Fire Protection,
Engineered for Indonesia.**

PT Andrika Mitra Solusi (AMS) is an Indonesian fire protection specialist focused on industrial, commercial, and mission-critical facilities. We design, supply, install, commission, and maintain reliable fire protection systems, engineered to international standards and tailored to each site's risk profile.

Our commitment runs deep: integrity in every quotation, competency in every engineering decision, and sustainability woven into the solutions we deliver.
